

How to Find Us:

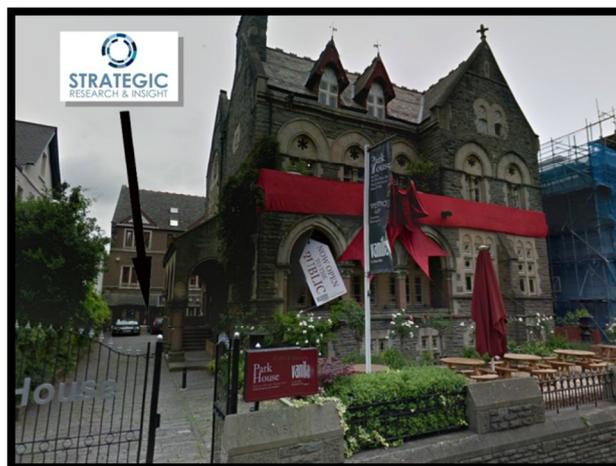

Strategic Research and Insight Ltd
4 Park Court Mews,
Park Place,
Cardiff
CF10 3DQ

How to find us:

We are conveniently located in Cardiff City Centre, however our offices are tucked away slightly in a mews off the main road – Here is where we are in relation to a few Cardiff landmarks:

From Park Place we are located just behind number 20, the Park House Club. Walk through the black gates to the side of the Park House, down the driveway and we are directly in front of you, as the picture below (please note the Park house does not always have a ribbon wrapped around it!)

If you come to us from St.Andrews Place, you will find the rear door to our offices just down Park Lane – a cobbled street, with a café (Coffee a GoGo) on the corner.

Once you turn down there, we are the first brick built building on the right hand side (Our shutters are not down during business hours!)

Feel free to use either entrance, although the front is prettier!

Coming by car/parking:

Unfortunately the trade-off of a city centre office is a lack of parking spaces. Feel free to ask if we have one available on the day you are visiting – If we do, you will be parking behind the roller shutters as in the picture above, so follow the instructions from St. Andrews Place as above. If we don't have a space available on that day, you can normally find a space available either on St. Andrews Crescent as per the map at the top of the page, or on Park Place (the main road) if you head in the direction of leaving town. These spaces are pay and display, but are reasonably priced.

Coming by train/public transport.

We are a short walk from both Cardiff Central Train station, and also Cardiff Queen Street. If you know Cardiff well you will have no problem finding us from the map above. If you don't know Cardiff that well, we would suggest following the signage from the station to the National Museum of Wales, which is on the map at the top of the page, and you should have no problem finding us from there.

If all else fails!

If you cannot find us from the above, give the office a call on 02920 303100 and we can 'walk you in' from there.
